This way nobody,  
you know.

Everyone here

to do  
that I am not going  
to stop

you have because  
you work after

the more you  
work I like to see  
you

That is  
a **survival**  
issue.

How long  
have you been  
surviving?

It is not often you see  
everyone just because  
they haven't made their  
beds.

From enough education  
to one who is qualified  
and willing to find

And from some who have  
opportunities others  
survivors are required

In some cases  
these who come  
with no education  
may prove to be  
what your  
company is searching
